How to Purchase Gift Cards Using RaiseRight

Good in the 'Hood has a partnership with a gift card purchasing and fundraising platform called RaiseRight. This preferred partner enables you, our generous Holiday Help partner and donor, to purchase gift cards to popular stores from the convenience of your own home or office. It offers a practical way for you to provide much needed holiday help for a family with children in need.

You are always welcome to purchase gift cards for your Holiday Help sponsorship through your own sources. If you choose to purchase through RaiseRight, Good in the 'Hood will receive a **1.7%** donation for every gift card you purchase. It's a great way to bring Holiday Help to a family in need and to stretch your kind gift just a little bit further to support our efforts to make a difference in our local community. AND, during the very busy holiday season, it will save you time and an unnecessary extra trip as RaiseRight will securely ship the gift cards directly to us!

To purchase gift cards through RaiseRight, please follow these 10 easy steps:

Please note: The following are a variety of gift cards that we have found are most frequently requested and recommended:

- Target; Walmart; Sam's Club; or Costco
- Amazon; Visa; Mastercard; Happy Cards
- Home Depot; Menards or Lowes
- Kohls; Old Navy; Sephora; DSW; American Eagle, or Marshalls
- Starbucks; Caribou; or Barnes & Noble
- Chipotle; DQ; Applebee's; Panera; Chilis; or Cheesecake Factory; Burger King, McDonalds; Subway; Chick-fil-A, Outback Steakhouse

Once you select a brand from the list, enter the card amount and quantity. It is most helpful if each donated card has a consistent value of \$25 as this best supports our efforts to meet the needs of families with children. You will also notice that most cards have a Physical, eGift and a reload option. It is most helpful to choose the "Physical" option (see below). You can do this for as many cards and different merchants as you would like. Click "Add to Cart" to add the card to your cart. When finished, click "View Cart". Note, you can continue shopping by clicking the "Back to Shop All Brands" link (at the top of the page)

The screenshot shows the RaiseRight website interface. At the top, there is a search bar with the text "Search for a brand" and a magnifying glass icon. To the right of the search bar are navigation icons for Shop, Favorites, Wallet, Account, and Cart. Below the search bar, the user's name "Chris - Good in the 'Hood" is displayed. The main content area shows the Amazon gift card selection process. On the left, there is a link to "Back to Shop All Brands". The Amazon logo is displayed with a heart icon. Below the logo, the text "Available as:" is followed by two options: "Physical" (selected) and "eGift". A note states: "Gift cards that are shipped to your organization, or mailed directly to you if ship-to-home eligible" with a sub-note "• Ship to home eligible". At the bottom of the selection area, there are three input fields: "Card Amount" set to "\$25.00", "Quantity" set to "1", and "Earnings" set to "1.7%". On the right side, a "My Cart" sidebar is visible. It shows "You're earning \$0.43" and two buttons: "View Cart" and "Keep Shopping". Below the buttons, the cart summary shows "Amazon Physical - \$25.00 (x1) \$25.00 x" and a "Subtotal \$25.00". At the bottom of the page, there is a large blue "Add to Cart" button.

- Begin checkout.** Verify your brands, the card amounts and quantities in your cart are correct and click “Begin Checkout”. Note, your gift cards will be shipped to the Good in the ‘Hood coordinator. If you prefer to have them shipped to your home, click the “Ship them to me” option.
